OUR CIRCULATION.

We mean to keep the following paragraph standing for the benefit of all whom it may concern: ADVERTISING.-We would commend the following facts to the attention of the advertising community. The "Wilmington Journal" circulates upwards of ELE-WEN HUNDRED COPIES weekly. Its circulation in the town of Wilmington is as large as that of any other paper published in the place. We would further state that its dollars : circulation in the counties which trade to this place is ; THREE TIMES as large as that of any other paper publish-We say, therefore, without the fear of contradiction, that it is the best vehicle for advertising which the peoade of Wilmington can select. One other observation We think, that although a large majority of the readers log little trading, as well as the readers of the whig papers. We have weitten the above merely for the infimation of these who are most deeply interested -busi
